Dr. Fink will briefly review standard practice parameters for mood and anxiety disorders, as well as AD/HD and Pervasive Developmental Disorders. She will focus on new medications, protocols and warnings for each area. Dr. Fink will also cover any new trends or creative ideas in the world of psychiatric medications for children and adolescents, including controversies, media coverage and new parity laws for insurance coverage for mental illness.

This program is designed for those working or training in the mental health professions.

Check out Dr. Fink's website: [www.finkshrink.com](http://www.finkshrink.com). The site offers information about Dr. Fink and her practice, her books, and her two blog sites- Bipolar Blog, and Bipolar Beat - presented by PsychCentral.com.

*Please feel free to invite guests*
